Sandy Springs, GA 30350

Mr. Catasein:

On behalf of the Utility Service Board of Jasper, Indiana, I want to acknowledge receipt of your notice that Jasper Clean Energy, LLC will terminate your lease with the USB and the City of Jasper, effective June 20, 2014.

We have enjoyed working with your team as we have continued to monitor the economic viability of the Jasper Clean Energy Center, keeping in the forefront at all times, our obligation to the citizens of Jasper, and the customers of the USB. Your monthly reports have kept us abreast of the shifting market conditions, which necessarily affect the viability of the Jasper Clean Energy Center.

We appreciate your due diligence, your forthrightness, and your professionalism. We will redouble our efforts to ensure our citizens and customers have access to clean, reliable energy well into the future.

If market conditions change for the better, and your forecast suggests long-term viability for the Jasper Clean Energy Center, we would be pleased to re-enter talks with you in the future.

Sincerely,

Wayne Schuetter
Chairman, Jasper Municipal Utility Service Board
